President's Report

Everybody loves a parade! Or so I thought. It turns out that Shaun Elders, the Director of the Georgia Sheriff's Boys Ranch, had never attended or been in a parade of any kind until this last Hahira Honey Bee Festival. How could that be? So he was named the Citizen of the year and he and several Ranch residents rode on the back of the 1954 Chevy 3/4 ton stakeside truck. There were several thousand spectators pushing into the parade path. Right behind Shaun we're five "Honey Bee Queens" riding in SGCCC convertibles. It was a great day for Shaun's first parade, and a great day for the SGCCC.

Thanks again to Alan, Jeff, Joe, Tim and Johnny for taking the time to bring those beautiful cars to the parade. Some other SGCCC members also came and represented us. Good job SGCCC.

By the way, Shaun enjoyed the ride and wondered why he had never been to a parade before.

We have several parades coming up in December so I hope all of you like parades. Thanks.
Until next time.

Dan

- October 30th - The Sheriff's Youth Home Cruise In / October Drive & Dine / Trunk or Treat: A motion was made and carried to change the date from October 16th to the 30th for the cruise in at the Youth Home, and include the October Drive & Dine and Trunk or Treat with this event. Irene has volunteered to be in charge of getting the food, and Hardy for cooking. The members of the club will provide the side dishes (baked beans, coleslaw, potato salad), trimmings for the hamburgers and hot dogs (lettuce, tomatoes, onions), and desserts. Also please bring candy for the "Trunk or Treat".
- November 13th - The SGCCC Annual Car Show. Joe stated that we need flyers to be distributed to get the word out. He also has PJ's lined up as a vendor. Al Nix has renewed the trophies that were donated by Richard Runnalls. All cars are welcome to participate, \$25 for judging and \$10 for display. A club participation award of \$100 will be given with a minimum of 10 cars.
- Christmas Event - The club continued discussions for a Cruise-By for First Responders in Valdosta on December 17th and a lighted Cruise-By in Lake Park on December 18th followed by a dinner and dance at the Lake Park Civic Center.

Officers for 2022: David Boyd will chair the committee for nomination of officers for 2022.

50/50: The 50/50 raised \$60 for the cruiser fund.

Our new member, David Jewel, won the Lithium-Ion Battery Charger donated by South 41 Classics.

Driver's Seat: A motion was made and tabled to stop mailing the *Driver's Seat*. It would continue to be available online at the club site. Several options were discussed, including a place on the application form to indicate the preferred delivery method. This will be discussed further next month. The question was asked about sponsors paying for advertising in the *Driver's Seat*. Hardy will look into this, and it will be discussed further at the next monthly meeting.

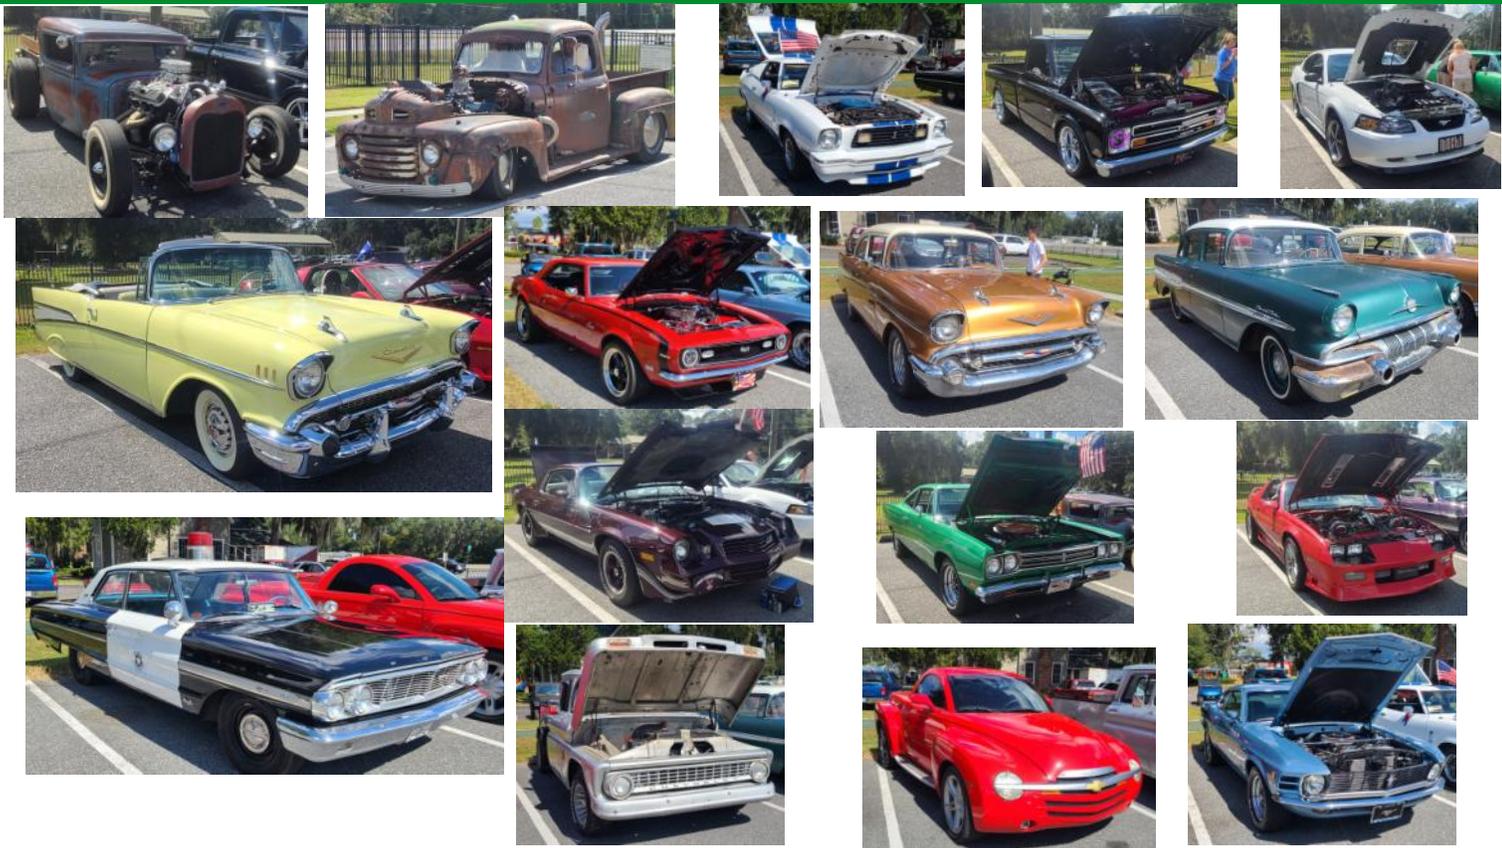

Please send in your stories about your cars. David always does a great job with the newsletter that is printed by the Printshop at Wiregrass Tech.

Meeting: adjourned at 7:52 pm

South Georgia Classic Car Club

As a member of the South Georgia Classic Car Club, you help our club reach our community in a positive manner and promote our hobby throughout South Georgia and North Florida.

Since 1984, the South Georgia Classic Car Club has existed as a non-profit corporation dedicated to the restoration, preservation, and enjoyment of special interest automobiles.

As you are already aware, our mission is to provide a well-rounded club consisting of many talented individuals with a variety of abilities and interests in vehicles from antiques to classics, hot rods to customs, and muscle cars to special interest vehicles. Our main goal is to have good, clean fun with our hobby and utilize it to help our community.

Throughout the year we host events that raise money for local charity organizations. We have most recently worked with the Georgia Sheriff's Youth Home in Hahira, Georgia on several events to help raise money for their scholarship program. We also continue to work with Moody Air Force Base, local law enforcement, first responders, Hospice of South Georgia, and more.

All of the positive things we do would not be possible without members like you. As we move into 2022, we are asking you to renew your membership and make a commitment to the SGCCC for 2022. Please complete and return the membership renewal form below as soon as possible. Membership dues are still only \$30 per year for an entire family. We value you and your continued dedication to our hobby. .

Thank you for being a member of the South Georgia Classic Car Club. We look forward to continued growth and outreach over the next year.

November! Fall back to Standard Time! Days are shorter, and temperatures are cooler. Baseball Season is over, and Football is in full swing. It won't be long until Basketball season begins. The Holidays are quickly approaching — Thanksgiving and Christmas will be here before we know it.

But before the Holidays, the SGCCC has its annual Fall Classic Car and Truck Show! This will be a great time — we need all the club members to participate. Joe and his planning committee have

been hard at work getting things ready for the show. We have one more club meeting before the show. We need all hands to make this show a success. It is getting exciting!

Our club has been well represented by members and their cars at several shows in our area. See pictures from some of these in this edition of the *Driver's Seat*.

We are still looking for SGCCC members to share stories to be published here — simply write the story up and get it to the editor

(with pictures if possible). You may email contributions to editor@SGCCC.org, or send by USPS or hand items to the editor in person. You, too, can be a published author!

And remember—take a kid to a car show.

Happy Cruising!

David Boyd, editor
